APPLE Schools Update:

This month, we are participating in APPLE Schools' **Bone Bounce Blitz!** campaign, focusing on bone health and the importance of keeping our bones strong through healthy habits and physical activity. Check out this month's newsletter for more info.

Families are encouraged to participate in our at-home Bone Bounce Blitz challenge by completing as many bone challenges as possible throughout the month. Return your completed challenge sheet to school at the end of October to be entered into a prize draw!

Let's get moving, build strong bones, and have fun together!

Great Little Coupon Book Fundraiser

The Great Little Coupon Book is available at the school office. Students can share the order form with family and friends who would like to purchase the book featuring great deals from local venders. **This fundraiser will run until November 20th.** Order forms can be submitted to the office and pick up the books at that time. Thank you for your continued support of Vincent Massey School.
