Accountability Pillar Results Summary Report

October 20, 2017

Background

Students and teachers complete the surveys online at school while parents receive a copy of the survey by mail and are asked to return the survey directly to Alberta Education by mail.

Responses were collected and tabulated into the summary chart released in May and were updated in October to include updated academic achievement based on the Provincial Achievement Tests and the Diploma Examination results (Divisional and FNMI specific).

Responses to the surveys were received from approximately:

- At Vincent Massey School, 4 Parents responded to the survey, down from last year. Unfortunately, low survey responses may not accurately represent our parent population.
- In Medicine Hat Public School Division, approximately 300 parents responded to the survey;

- At Vincent Massey School, approximately 40 students responded to the survey;
- In MHPSD: 1658 Students (809 in Grades 4-6 | 447 in Grades 7-9 | 401 in Grades 10-12) responded to the survey.

- At Vincent Massey School, approximately 7 teachers responded to the survey;
- In MHPSD, approximately 327 teachers responded to the survey.

These are approximate numbers as not every parent, student or teachers answers every question.

Academically Derived measures are also provided on our school webpage. These 2016-2017 measures include:

- Provincial Achievement Tests (Acceptable and Excellence)
- Participation Rate

The Board's Education Plan targets four strategic goals: ***Inclusive Mindset, Optimal Learning Environments, a Culture of Wellness and Leadership (both formal and informal)***. Our school's plan for education aligns to the Board's Education Plan. Below are some highlights of our results and some areas of strategic planning. In each instance we connect these back to the four strategic goals.

Vincent Massey School Highlights and Celebrations:

- 89.9% of respondents (parents, teachers and students) are satisfied with the overall quality of basic education quality provided at Vincent Massey School. (Optimal Learning)
 - o 100% of teachers;
 - o 74.1% of parents and;
 - o 95.1% of students who responded are satisfied.
- 92.9% of respondents (parents, teachers and students) are in agreement that students are safe at school, are learning the importance of caring for others, are learning respect for others and are treated fairly in school. (Wellness, Inclusive Education)
 - o 100% of teachers;
 - o 93.3% of parents and;
 - o 85.3% of students are in agreement.
- 90.2% of teachers and 88.9 of students indicate that their school and schools in their jurisdiction have improved or stayed the same in the last three years. This is an improvement in the student percentage from 86.3% in 2017. (Optimal Learning)

Areas Requiring Strategic Planning:

Provincial Achievement Test (PAT) Results

- Provincial Achievement Test (PAT) results at Grade 6 in all subject areas are an area of concern in the area around standard of excellence. (Optimal Learning)
- Grade 6 PAT results at the standard of excellence in all subject areas are also an area for growth. (Optimal Learning)
- The overall cohort result for Grade 6 and PAT shows an improvement in the acceptable standard especially compared to provincial results. (Optimal Learning)

Accountability Pillar Survey Results

- 79.4% of parents are satisfied with parental involvement in decisions about their child's education. This is a decline from 83.8% from the year before and the previous 3-year average of 84.6%. (Leadership, Wellness, Inclusive Education)
- The overall percentage of teachers, parents and students who are satisfied that students are taught attitudes and behaviours that makes them successful at work when they are finished school is 59.5%. Only 33.3.7% of parents are satisfied with the work preparation taking place at Vincent Massey. (Leadership, Wellness, Inclusive Education)
