|                                                                               |                   |
|-------------------------------------------------------------------------------|-------------------|
| <i>PROCEDURE CODE:</i>                                                        | <i>612 AP 001</i> |
| <b>Policy Reference:</b> 612 – Welcoming, Caring, Respectful and Safe Schools |                   |

**BACKGROUND**

In order to establish and maintain a welcoming, caring, respectful, and safe learning environment, this Student Code of Conduct establishes expectations and consequences for student behaviour while at school, at school sponsored activities, or while engaging in other non-school activities that have a direct influence on maintaining a welcoming, caring, respectful, and safe learning environment in the school.

The Student Code of Conduct is intended to establish and maintain an appropriate balance between individual and collective rights, freedoms, and responsibilities in the school community. The Student Code of Conduct is also intended to help students learn how to address issues of dispute, develop empathy, and become good citizens within and outside the school community.

**DEFINITIONS**

**Bullying 1(1)(d)** – The Education Act defines bullying as “repeated and hostile or demeaning behaviour by an individual in the school community where the behaviour is intended to cause harm, fear, or distress to one or more other individuals in the school community, including psychological harm or harm to an individual’s reputation.”

**Discrimination** – The denial of individual rights and freedoms in a manner which contravenes the Canadian Charter of Rights and Freedoms and/or the Alberta Human Rights Act (AHRA). Discrimination on the basis of race, religious beliefs, colour, gender, physical disability, mental disability, age, ancestry, place of origin, marital status, source of income, family status, creed, sexual orientation, and citizenship is prohibited.

**Harassment** – Any behaviour that in effect or intent disparages, humiliates, or harms another person or class of persons. It is behaviour that denies dignity and respect, and is demeaning and/or humiliating to another person or class of persons. Harassment may include, but is not

limited to, references related to age, national or ethnic origin, religion, gender, sexual orientation, disability, race and/or sources of income or family status. Sexual harassment is any unwelcome behaviour that is sexual in nature. Such behaviour may directly or indirectly affect or threaten to affect in an adverse manner a student's well-being and/or learning environment. The behaviour does not need to be intended as harassing to be considered as personal harassment. It is sufficient that one knows, or ought reasonably to know, that his/her behaviour is offensive and unwelcome. Harassment is not a relationship of mutual consent. It is any action including, but not limited to, verbal, physical, written and cyber messaging that is unwelcome or intimidating and denies individual dignity and respect.
